The doors of Western Heights have opened for Senior high as well as Junior high students this year, '61-'62.

Here they learn respect and admiration for education.

Flight 1 1962

Vol. 1

Western Heights High School
Oklahoma City, Oklahoma

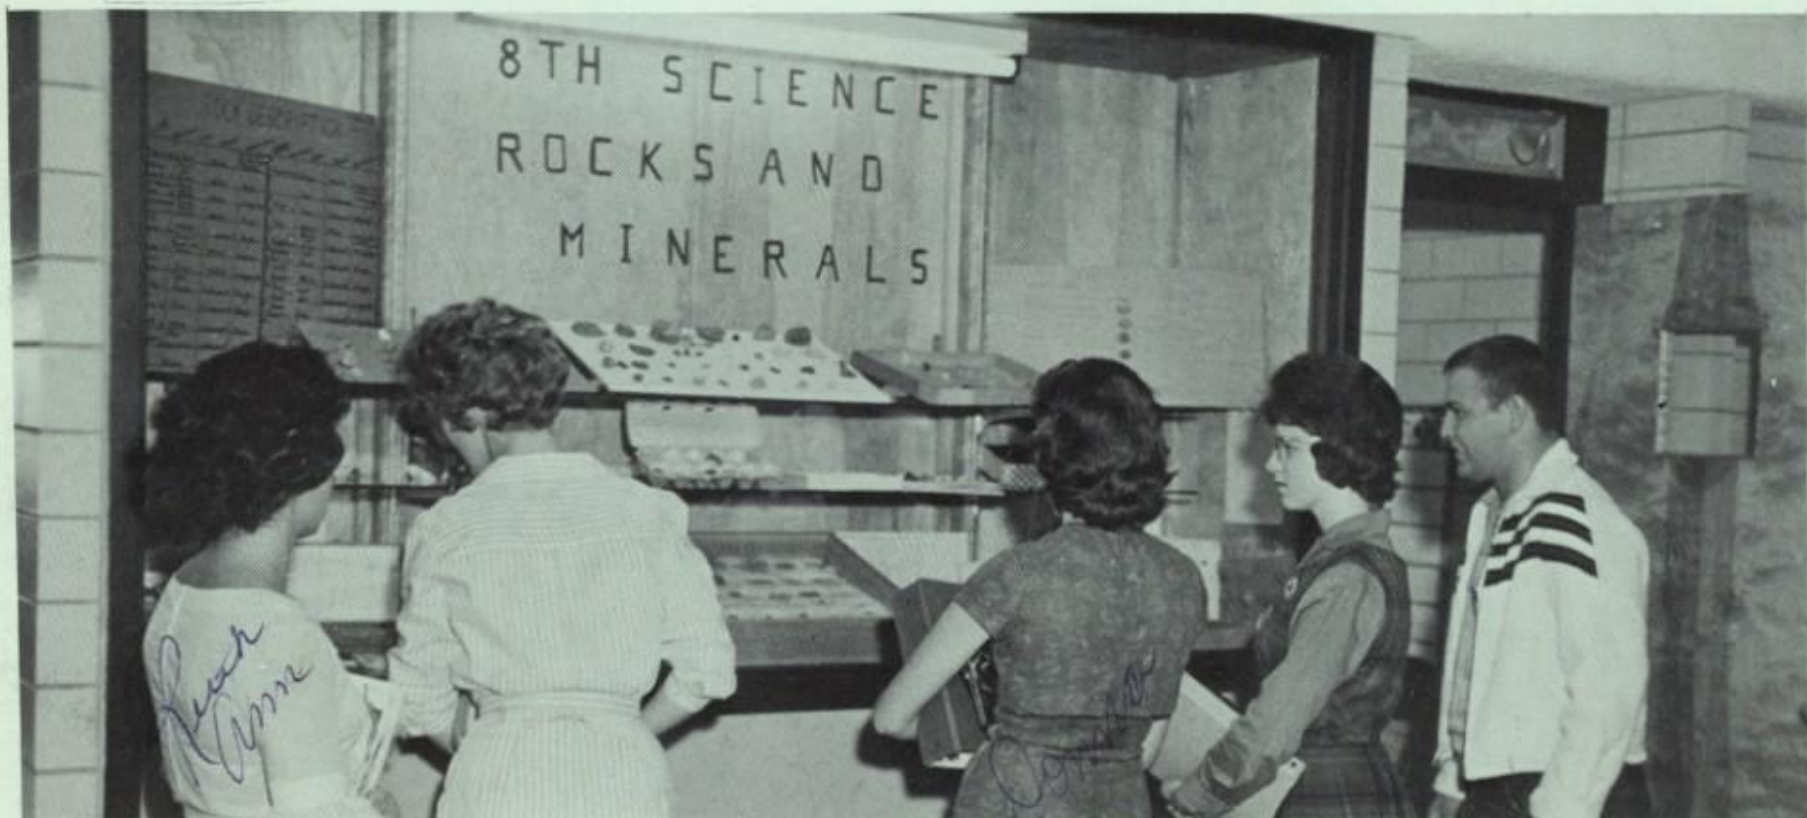

Mr. Rymer, Superintendent, talking over schedules with Johnny Ford, Danny Higbee and Jerry Davison.

Marlene Salda and Margaret Wear were elected editor and assistant editor of the 1962 yearbook.

Mr. Baker, Band director, admires Sandra Brill's new hat.

The science display in trophy case proves interesting to senior high students.

Drivers education class takes eye tests.

Judy Pennington, Danny Whedbee, Sharon Beach, and Judy Wilson were elected as junior class officers.

On The Beam

Western Heights High School, on southwest 44th and Council Road is located in the flat prairie land stretching on the southwest outskirts of Oklahoma City in the shadow of Tinker Air Force Base and Will Rogers Field.

Western Heights has been ON THE BEAM ever since the doors opened on September 5, 1961.

Our administrators, page 4, and board of education, page 5, strive to maintain an educational course which will enable all students of Western Heights to lead a life compatible with the space age.

Our image of the space age contributes to the construction of our building, our mascot, and our strong ideas for the future.

Joyce Drake, Janet Hart, Charlie Salda, and Ruthie Green were elected as senior class officers.

Administration

Mr. Devert M. Rymer, superintendent, and Mr. Carl Hildebrand, principal, check the yearly program necessary in keeping students of Western Heights High School On The Beam.

Board of Education

The board of education has worked to achieve high standards for the students of Western Heights High School. Their goal is to maintain a progressive school which will rate high in this ever growing space age.

"Western Heights High School, Mrs. Cavaness speaking," exemplifies our competent school secretary.

The Board of Education directors are-First Row: Mr. Gerald Sladek, Mr. Melvin Cameron, Mr. Bert Pickett, Mr. Devert Rymer, Second Row: Mr. M. E. Holleman, Mr. Ray Hardesty.

Faculty Is On The Beam In

Mr. Jones, having a B.A. and a Masters in Education degree from S.W.T.S.C., San Marcos, Texas, preceeds to give a Spanish assignment.

Explaining a mechanical drawing examination to his class is Mr. Hulin Howe, B.S. major from Central State.

Mr. Wayne Morgan having a B.S. degree from Texas Christian College is the head of our science department.

Students find English interesting when taught by Mrs. Helen Hill, who has obtained an A.B. degree from Central State.

Classroom

Mrs. Neil and Mr. Hildebrand counsel with Barbara Zolman, Charollet McCuller and all other students at Western Heights High School.

Mr. Paul Heath, graduate of Central State with a B.A. and a M.A. degree, explains rock formations of Oklahoma.

A graduate of O.S. U. with a B.S. degree, Mr. Earl Boyer has worked extensively with his Oklahoma History class.

Jim Baker, a B.M.Ed. graduate from O.U., has honored Western Heights by composing their "Jet Fight" song.

Mrs. Ruth Campbell, who aids all students with their problems in English, has procured a degree from Phillips University, Enid.

The math department, headed by Mr. Wesley Moore, a B.B.A. major from Central State, gets much praise for its hard work.

The fourth hour Driver Education class, which is under the direction of Mr. Hulin Howe, takes pride in their newly acquired drivers education car.

One of Mr. Mack Wedel's duties is to administer admittance slips

The Bookkeeping class looks on attentively as Mrs. Kittye Neil, a Masters in Education major from O.U. demonstrates the bookkeeping equation.

Miss Pat Hurst, head of the Homemaking department, received her B.S. degree at O.U.

Faculty-Thanks To You

Mr. Hulin Howe, Shop teacher, explains the working order of the electrical saw.

Hulin Howe, Robert Mistele, Earl Boyer, coaches, discuss plans for future games.

The Typing II class has the responsibility of publishing the school paper, "The Jet Stream."

Teachers! Not only in the classroom, but anytime and any place that we needed them, they were always open to us, whether it was to chat or change a schedule or get help in solving a problem.

In the classroom they tried to get their point across to us. Maybe it was the stressing of valences or symbols in chemistry or the putting of only one cup of sugar in a cake. The outlines and notecards were a "pain," but in the end we all realized their importance.

Years come and go, but in each of our minds there will always remain the memories of wonderful hours, days, and years spent with dedicated persons. To our teachers we say, "Thank you so much."

Mr. Paul Heath and Mr. Wayne Morgan work side by side on experiments in our science laboratories.

Karolyn Phipps, Lynn Melrose, Jo Ann Kolar, and Mary Clifton, twirlers, and Sandra Brill, majorette, add color to our band.

The girls' and boys' Gym classes work energetically to maintain a physique comparable to that of the space age. These classes are under the supervision of Mr. Earl Boyer and Mr. Robert Misteale.

What Do We Eat?

The cooks, preparing delicious meals, are Mrs. Willie Echols, Mrs. Betty Brandt, Mrs. Mae Peiffer, and Mrs. Ruth Sanderson.

These bus drivers give us safe transportation to and from school; Mr. Floyd Myers, Mr. Clair Young, Mr. John Neil Mr. Charlie Fogle, and Mr. Stephen Mann.

Our cheerleaders remain enthusiastic even after the assembly has been completed.

Girls Cheer Boys To Victory

Our Pep Club is responsible for promoting our school spirit. By arranging out-of-town buses the Pep Club has bolstered the spirits of the team and student body. Although only fully organized this year, our club has done a magnificent job.

Mrs. Neil, the Pep Club sponser, has worked industriously to help the cheerleaders and the Pep Club.

Thanks

Because of you, our 1962 Jet Flight 1 was possible. In spite of all the doubts that assailed us, as how to please everyone, we have done our best to do so.

Thanks to our staff for making this a reality. And a special thanks to our sponsor, Mrs. Kittye Neil, for possessing the qualities and abilities to strengthen our efforts.

This annual has been a real challenge to me and it is with much pleasure that I present it to you.

Another booster of our school is the Wagoner Studio. Mr. Wagoner and his staff have been very cooperative and congenial in coming to Western Heights and taking pictures when needed.

The entire personnel of Western Heights wish to express most sincere thanks and appreciation for the work done by the studio.
